### **DETAILED ACTION**

This Office action is responsive to communication received 08/18/2006 –  
Terminal Disclaimer.

#### ***Comments on application papers***

It is noted that the Office action, mailed 04/20/2006, included an inadvertent error in indicating that the claims were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over the claims in U.S. Patent Application No. 11/317,650. However, the applicant has responded by submitting a terminal disclaimer that includes a reference to the correct U.S. Patent Application No. 11/217,650.

#### ***Terminal Disclaimer***

The terminal disclaimer filed on 08/18/2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of any patent granted from U.S. Application Serial No. 11/217,650, has been reviewed and is accepted. The terminal disclaimer has been recorded.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Claims 1-56 are allowable over the prior art references of record in view of the timely and properly submitted terminal disclaimer, received 08/18/2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Monday through Friday (6:30AM - 3:00PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eugene L. Kim can be reached on 571-272-4463. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
